## Diversifying Your Funding: MIE Custom Resource Development Support

*You are inspired by a new idea from the Fundraising Conference –  
where do you go from here?*

MIE offers custom resource development support to legal aid programs, including:

- getting started in fundraising
- developing your strategic plan for program fundraising
- diversifying funding
- planning and managing fundraising projects
- board and staff fundraising training
- managing multiple funding sources
- hiring a resource development staff member
- expert and peer consulting services
- custom training for programs and regions

Talk with Patricia Pap, MIE Executive Director, 617-556-0288, ppap@m-i-e.org, about your next steps and how MIE can help.

Yes, I would like to talk about my program's next steps in fundraising.
